OF THE BOARD OF DIRECTORS
APPROVED BY THE BOARD OF DIRECTORS
MARCH 15, 2023

I. PURPOSE

The purpose of the Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of NerdWallet, Inc., a Delaware corporation (the “Company”) is to:

● oversee the Company’s accounting and financial reporting processes, systems of internal control, financial statement audits, and the integrity of the Company’s financial statements;

● manage the selection, engagement terms, fees, qualifications, independence, and performance of the registered public accounting firms engaged as the Company’s independent outside auditors for the purpose of preparing or issuing an audit report or performing audit services (the “Independent Auditors”);

● maintain and foster an open avenue of communication with the Company’s management, internal audit group and Independent Auditors;

● review any reports or disclosures required by applicable law and stock exchange listing requirements;

● oversee organization and performance of the Company’s internal audit function and Independent Auditors;

● Oversee and review the adequacy and effectiveness of the Company’s cybersecurity, information and technology security, and data privacy programs, procedures, and policies;

● help the Board oversee the Company’s compliance with legal and regulatory requirements; and

● provide regular reports and information to the Board within its areas of oversight and responsibilities.

Management is responsible for preparing the Company’s financial statements, and the Independent Auditors are responsible for auditing those financial statements. The Committee in carrying out its responsibilities believes its policies and procedures should remain flexible, in order to best react to changing conditions and circumstances. The Committee should take the appropriate actions to set the overall corporate tone for high quality financial reporting, sound business risk practices, and ethical behavior.

II. COMPOSITION

The members of the Committee, including the Chairperson, will be members of the Board appointed by, and will serve at the discretion of, the Board. Vacancies occurring on the Committee will be filled by the Board. Resignation or removal of a Committee member from the Board for any reason will automatically constitute resignation or removal from the Committee. Members of the Audit Committee will
be appointed by the Board and may be removed by the Board in its discretion. For so long as the Company is a public reporting company subject to the periodic reporting requirements of the Securities Exchange Act of 1934, as amended (the “Public Effective Date”):

- the Committee will consist of at least three members of the Board, one of which the Board may designate as chairperson of the Committee (the “Chairperson”);

- each member of the Committee will satisfy:

  - the independence, financial literacy and other requirements imposed by applicable law and stock exchange listing requirements; and

  - any other qualifications determined by the Board; and

- at least one member of the Committee will satisfy the applicable financial-sophistication requirements and any other requirement for accounting or related financial management expertise required by applicable law and stock exchange listing requirements.

III. AUTHORITY

The Committee will have access to all Company books, records, facilities and personnel as deemed necessary or appropriate by any member of the Committee. If the Committee concludes that it must retain legal, accounting or other outside advisors, it may do so and determine compensation for those advisors at the Company’s expense. The Committee may also pay any ordinary administrative expenses it deems appropriate in carrying out its duties at the expense of the Company. The Committee will have authority to require that any of the Company’s personnel or outside advisors attend any meeting of the Committee or meet with any member of the Committee or any of its advisors.

The Chairperson shall have the delegated authority to act on behalf of the Committee in connection with (1) approval of the retention of outside service providers and advisors by the Committee (including negotiation and execution of their engagement letters), (2) preapproval of audit or non-audit services, (3) reviewing with management the Company’s proposed earnings press releases and other financial information and guidance regarding the Company’s results of operations provided publicly or to ratings agencies, (4) approval of payment of expenses incurred by the Committee described in the previous paragraph, and (5) as may otherwise be determined by the Committee.

The Committee also may form and delegate authority to one or more subcommittees consisting of one or more members of the Board (whether or not he, she or they are on the Committee) to the extent allowed under applicable law and stock exchange listing requirements. By delegating an issue to the Chairperson or a subcommittee, the Committee does not surrender any authority over that issue. Although the Committee may act on any issue that has been delegated to the Chairperson or a subcommittee, doing so will not limit or restrict future action by the Chairperson or subcommittee on any matters delegated to it. Any action or decision of the Chairperson or a subcommittee will be presented to the full Committee at its next scheduled meeting. By approving this Charter, the Board delegates authority to the Committee with respect to these responsibilities.

IV. RESPONSIBILITIES

The Committee’s responsibilities are for oversight, as described under “Purpose” above. The members of the Committee are not employees of the Company, and they do not perform management’s or any Independent Auditors’ functions. The Committee relies on the expertise and knowledge of
management and any Independent Auditors in carrying out its oversight responsibilities. Management is responsible for preparing accurate and complete financial statements in accordance with generally accepted accounting principles ("GAAP"), crafting periodic reports, and establishing and maintaining appropriate accounting principles and financial reporting policies and satisfactory internal control over financial reporting. The Independent Auditors will audit the Company’s annual consolidated financial statements and, when required, the effectiveness of the Company’s internal control over financial reporting and review the Company’s quarterly financial statements. It is not the Committee’s responsibility to prepare or certify the Company’s financial statements, guarantee the audits or reports of the Independent Auditors, certify as to whether any Independent Auditors are “independent” under applicable law or stock exchange listing requirements, or ensure that the financial statements or periodic reports are complete and accurate, conform to GAAP, or otherwise comply with applicable law or stock exchange listing requirements or the Company’s policies.

Following the Public Effective Date, the Committee shall have the following responsibilities, some of which it may assume prior to such date in its discretion; provided, however, that this list of responsibilities is intended to be a guide and to remain flexible to account for changing circumstances and needs. Accordingly, the Committee may depart from or supplement such responsibilities, and establish policies and procedures, to the extent permitted by applicable law and stock exchange listing requirements.

**Independent Auditor Oversight:**

1. **Hiring and Selecting Independent Auditors.** The Committee will evaluate, determine whether to retain, and determine the fees of any Independent Auditors and any other registered public accounting firm engaged for the financial reporting process. In addition, the Committee may replace any existing Independent Auditors or other registered public accounting firm engaged for the financial reporting process with a different public accounting firm.

2. **Approving Audit and Non-Audit Engagements.** The Committee will review audit plans, the adequacy of staffing, the fees to be paid to Independent Auditors, and oversee the negotiation and execution of any engagement letters on behalf of the Company. The Committee will oversee the rotation of the Independent Auditors’ partners on the Company’s audit engagement team as required by applicable law and stock exchange listing requirements. The Committee will approve all audit and non-audit related services that the Independent Auditors provide to the Company before the engagement begins, unless applicable law and stock exchange listing requirements allow otherwise. The Committee may establish pre-approval policies and procedures or delegate pre-approval authority to one or more Committee members as permitted by applicable law and stock exchange listing requirements.

3. **Auditor Independence.** At least annually, the Committee will assess the qualifications, performance, and independence of the Independent Auditors, or in the case of prospective Independent Auditors, before they are engaged. That assessment will include reviewing written disclosures from any Independent Auditors regarding any relationships they have that may affect independence, as defined by applicable law and stock exchange listing requirements. The Committee will review a written statement from any Independent Auditors affirming their independence, and assess, consider, and discuss with them any potential relationships concerning their objectivity and independence. As the Committee evaluates the qualifications, performance and independence, determination will be made to implement a regular rotation of the lead audit partner and/or the audit firm of the Independent Auditors and take appropriate action.

4. **Former Employees of Independent Auditors.** The Committee will oversee the policies and procedures as required by applicable law and stock exchange listing requirements governing how the Company may employ individuals who are or once were employed by the Independent Auditors.
5. **Discussions with Independent Auditors.** The Committee will discuss with the Independent Auditors the matters required to be discussed by all relevant Statements on Auditing Standards, including, not limited to Statement on Auditing Standard No. 114, related to the conduct of the audit and Public Company Accounting Oversight Board (the “**PCAOB**”) Auditing Standards No. 16 Written Communications.

**Financial Review and Disclosure:**

6. **Annual Audit Results.** The Committee will review with management and the Independent Auditors the results of the Company’s annual financial statement audit, including:

   - the Independent Auditors’ assessment of the quality of the Company’s accounting principles and practices;
   - the Independent Auditors’ views about qualitative aspects of the Company’s significant accounting practices and the reasonableness of significant judgments and estimates (including material changes in estimates and analyses of the effects of alternative GAAP methods on the financial statements);
   - all known and likely misstatements identified during the audit (other than those the Independent Auditors believe to be trivial);
   - the adequacy of the disclosures in the financial statements; and
   - any other matters that the Independent Auditors must communicate to the Committee under applicable accounting or auditing standards.

7. **Audited Financial Statement Review; Quarterly and Annual Reports.** The Committee will review the annual audited financial statements, the quarterly financial statements and the Company’s “Management’s Discussion and Analysis of Financial Condition and Results of Operations” and “Risk Factors,” as appropriate, with management and the Independent Auditors. The Committee will be responsible for recommending to the Board whether the proposed annual audited financial statements should be included in the Company’s Annual Report on Form 10-K.

8. **Earnings Announcements.** The Committee will review and discuss with management and the Independent Auditors any proposed earnings press releases and other financial information and guidance regarding the Company’s results of operations provided publicly or to ratings agencies.

9. **Proxy Report.** After the Public Effective Date, the Committee will oversee the preparation of any report of the Committee required by applicable law or stock exchange listing requirements to be included in the Company’s annual proxy statement.

10. **Accounting Principles and Policies.** The Committee will review and discuss with management and the Independent Auditors significant issues regarding accounting principles and financial-statement presentation, including:

    - critical accounting policies and practices;
    - alternative accounting policies available under GAAP;
● the potential impact on the Company’s financial statements of alternative treatments and any
    off-balance sheet structures; and

● any other significant reporting issues and judgments, significant regulatory, legal, and
    accounting initiatives, or developments that may have a material impact on the Company’s
    financial statements, compliance programs, and policies.

The Committee will review with the Independent Auditors and management, if appropriate, any
written communication, such as any management letter or internal-control letter, and monitor
management’s response to such communications. At least annually, the Committee will discuss with the
Independent Auditors the matters required to be discussed by Auditing Standard No. 1301,
Communications with Audit Committees, as adopted by the PCAOB (including any successor rule adopted
by the PCAOB).

11. **Management Cooperation with Audit.** The Committee will evaluate management’s cooperation
    with the Independent Auditors during their audit examination, including any significant difficulties or
    disagreements encountered during the audit, if any.

**Internal Control and Procedures:**

12. **Risk Assessment and Management.** The Committee will review and discuss with management
    and the Auditors the Company’s processes and policies on risk identification, management and assessment
    in all areas of the Company’s business, but the Board shall continue to have overall responsibility for
    evaluating key business risks faced by the Company, including but not limited to information security,
    competition, and regulation. Areas of focus for the Committee shall include the Company’s policies and
    other matters relating to the Company’s investments, cash management and foreign exchange management,
    and major financial risk exposures.

13. **Cybersecurity, Information Security, and Data Protection.** The Committee will oversee,
    periodically review, and, as appropriate, make recommendations to the Board concerning the adequacy
    and effectiveness of the Company’s cybersecurity, information and technology security, and data
    protection programs, procedures, and policies and the related internal controls, and the steps taken by
    management to monitor and mitigate or otherwise control these exposures and to identify future risks.

14. **Internal Control over Financial Reporting; Disclosure Controls.** The Committee will confer
    with management and the Independent Auditors concerning the scope, design, adequacy and effectiveness
    of internal control over financial reporting and the Company’s disclosure controls and procedures. The
    Committee will review reports on significant findings and recommendations with respect to internal
    controls over financial reporting, together with management responses and any special audit steps adopted
    in light of any material control deficiencies.

15. **Correspondence with Regulators.** The Committee will consider and review with management,
    the Independent Auditors, and outside advisors or accountants any correspondence with regulators or
    governmental agencies and any published reports that raise material issues regarding the Company’s
    financial statements or accounting policies.

16. **Internal Control Report.** At least annually (if required by applicable stock exchange listing
    requirements) or as may otherwise be determined by the Committee, the Committee will review a report by
    the Independent Auditors describing its internal quality-control procedures and any material issues raised
    by (1) that firm’s internal quality-control review, (2) any peer review of the firm’s internal quality-control
    procedures or review, or (3) any inquiry or investigation by governmental or professional authorities
    conducted in the last five years of any audit performed by the Independent Auditors.
Compliance Oversight:

17. **Complaint Procedures.** The Committee will oversee procedures for receiving, retaining, and investigating the following:

- complaints received by the Company regarding accounting, internal accounting controls, or auditing matters; and
- confidential and anonymous submissions by employees concerning questionable accounting or auditing matters.

In addition, the Committee will oversee procedures for receiving, retaining, and investigating any “hotline” complaints or submissions delegated to the Committee by the Board.

18. **Ethical Compliance.** The Committee will review the results of management’s efforts to monitor compliance with the Company’s programs and policies designed to ensure compliance with applicable laws and stock exchange listing requirements, including the Company’s Code of Business Conduct and Ethics.

21. **Other Legal and Finance Matters.** The Committee will review with management legal and regulatory compliance and any actual, pending or threatened legal or financial matters that could significantly affect the Company’s business or financial statements or as otherwise deemed appropriate by the Committee.

V. **MEETINGS AND MINUTES**

The Committee will meet whenever its members deem a meeting necessary or appropriate. The Committee will determine where and when to meet.

Unless otherwise determined by the Committee, each regularly scheduled meeting will conclude with an executive session that excludes members of management. As part of its responsibility to foster open communication, the Committee will meet periodically with management, personnel in charge of the internal audit function and the Independent Auditors in separate executive sessions. From time to time, or when requested by the Board, the Chairperson of the Committee will report to the Board.

The Committee will maintain written minutes of its meeting and regularly report to the Board on its actions and recommendations. The Committee may act by unanimous written consent; when it does so, those actions will be filed in the minute book.
